Oman Air Sponsors the Seventh GCC ENT Society Conference

Oman Air, the national carrier of the Sultanate of Oman will be sponsoring the seventh GCC Ear, Nose & Throat (ENT) Society international conference during the period from 23- 25 January 2007, at Intercontinental Hotel. .

Local, regional experts as well as internationals including both the American and European Academy of Otolaryngology and Head & Neck surgery, will attend the stated conference. This conference will be the first joint meeting between the American Academy of Otolaryngology - Head and Neck Surgery and The GCC ENT society (an International Corresponding Society with the American Academy).

The Commercial Divination of Oman Air emphasized on the significance of such event as it is an excellent opportunity to share the knowledge and experience between the delegates through lectures, panel discussions, hands on workshops, instructional sessions and poster presentation. This conference will definitely give emphasis and enhance the medical knowledge and implementation in this regard.

They added, Oman Air being the national carrier is privileged to participate in this noteworthy occurrence, longing that the conference achieve its set goals. This will furthermore sustain Oman Air's major contributory role towards the community.

It is worth stating that The Arab Gulf Cooperative Council (GCC ENT Society) holds an international conference every two years in a different gulf country. Muscat had the honour to be the venue for the first such conference in 1994.
