With Oman Air opening up a host of new destinations, Oman Air Holidays have come out with a range of exciting Holiday Destinations.

Nigel Stoker, General Manager, Oman Air Holidays says:

“France is the World’s Number one tourist destination. With Oman Air flying direct to Paris from our hub in Muscat, we have a range of great value offers to fly and stay in a range of hotels to suit all budgets. We also have packages to Disneyland Paris, which is an ideal getaway for the families. Airfares and three nights at Disneyland with full Park passes from only RO 308 per person. Germany is an Omani favourite destination and our direct flights to both Frankfurt and Munich make it ideal for long weekends or a great way to enjoy the Eid Holidays. We have very good hotel rates with leading hotels in both cities with prices starting from RO 219.

Oman Air Holidays has also released an exciting array of holiday packages to both Sri Lanka and the Maldives. The airline flies 4 times a week to both countries.

“Sri Lanka is a lovely mix of beautiful beaches and World Heritage Sites. We have a great range of holiday options on offer - for instance a 4 day tour visiting Kandy and the Elephant Sanctuary combined with the pristine beaches of Bentota and the capital city Colombo starts from only RO 279. The Maldives chain of islands are only three and a half hours away from Oman and if you are after a romantic interlude or just want time to relax then this is a must visit destination. Prices at superb 5 star resorts lead in at only RO 404. This rate includes Dinners and Speedboat transfers” Nigel added.

The rates include return fares, 3 nights accommodation, breakfast and hotel taxes - and are also valid for the forthcoming Eid Al Adha holidays.
