FA 02 / First - Aid (Basic)

[Home](#) > [Printer-friendly PDF](#) > FA 02 / First - Aid (Basic)

Content This course comprises of a video-based learning process followed by verbal reinforcement by the instructor, and then supervised 'hands-on' experience. Basic content is divided into two parts: **Primary Assessment** and **Secondary Assessment**. Primary Assessment covers basic skills used in checking for life-threatening conditions, while Secondary Assessment concentrates on checking for illness and / or injury and providing the necessary care for a wide range of differing medical conditions.

Duration 2 days

Price RO 50 per participant
