Booking/Reservation

- [What you mean by a Booking/Reservation is made?](#)

A booking or reservation made means you have shown an interest to fly on a particular flight of Oman Air. The booking reference will detail the number of passengers, class of travel and other details of the flight..

- [What is booking status?](#)

If the seats are available the booking will show that the reservation is confirmed. If the seats are not available we do accept some bookings on waitlist. You need to contact Oman Air offices to get the waitlist booking confirmed. A confirmed booking may be cancelled by our reservation system if you fail to purchase the ticket within the time limit prescribed in accordance with the ticketing rules.

- [Do I need to reconfirm my reservations?](#)

You do not need to reconfirm your Oman Air confirmed bookings. However, please provide your local contact details, and help us to serve you better in the unfortunate event of flight schedule disruption. A mobile number in your record will help us to communicate through Short Messaging Service or SMS. If you are connecting to another carrier please check with the other carrier on their reconfirmation procedure.

- [What if I just want to obtain flight schedules without making a reservation?](#)

To obtain only our flight schedules, simply visit our schedules page on the web. You will see all the flights available. You can also download our flight schedule in Excel/PDF file format. You can also send SMS to 90910 and obtain the necessary information.

- [How far in advance can I book a flight?](#)

You can book a flight up to 330 days in advance. Flights beyond 330 days are not stored in

the Sabre® computer reservations system used by Oman Air.

- [Can I waitlist for a flight?](#)

Incase flights are full, our reservation offices will be glad to put you on a waitlist which may get confirmed at a later stage and will be advised to you.

- [Can I request special assistance when making my reservation?](#)

Yes. We offer selected special requests. Please check with our reservations staff.

Online Booking

- [What is Online Booking?](#)

Booking through internet is called Online Booking or Book Online. Conventionally Oman Air bookings were made through Oman Air offices or your preferred travel agent through direct communication lines with our central reservation system. Online booking differs from the conventional booking system and it is now more customer friendly. Options available are shown to you on your computer screen and you just have to select the required options, fill up the necessary details and create your booking from the convenience of your office or home or any other preferred location. No need to visit a Booking Office / Airport or any other physical outlet to get your tickets anymore. And more than that, you can access 24 hours a day, seven days in a week.

- [How can I access Oman Air Online booking facility?](#)

Simply log on to www.omanair.com and the online booking feature is available on the home page. You can also access our booking engine page by clicking on Plan & Book -> Book a Flight page. Add these pages to your "Favorites" in Windows Explorer for your convenience in next visit. Navigation on the web site is quite simple and with five steps you will be able to book Oman Air flight.

- [How does an Online booking work?](#)

You log-in for Book Online at www.omanair.com; our central reservation system will be directly connected and will provide you real time responses.

You can create your booking using the easy to navigate steps and select your preference.

You make online payment for your ticket through your credit/debit card. We accept credit/debit/prepaid cards issued by any banks with Visa or Master Card logo.

After payment, system will generate a PNR (Passenger Name Record) against your itinerary, and you will be asked to view / print your ticket.

The reservation system will send a confirmation e-mail. Through this e-mail link, you can log in to our site to revisit the PNR, print the e-ticket receipt and synchronize the booking with your office PC calendar/hand held, check the weather and host of other features.

To enter the airport and for check-in, make sure you have your booking receipt, along with valid photo identification such as Passport, Driving License or Residence Card.

Now you can check-in on our web - www.omanair.com or present yourself at the airport check-in counter. Your boarding pass will be issued after verifying this e-ticket, with the card used for the payment and your valid photo identity card.

If cardholder is not travelling together as a group and tickets were purchased for a friend/relative/ family member, then carry photocopy of the both sides of the card with an authorization letter duly signed by card holder.

- [What are the various features available under Online Booking?](#)

You can access our booking engine to check the availability of seats, applicable fares, alternative flights, choosing the preferred seat, book and pay for the ticket, print the itinerary, etc. A confirmation will be e-mailed to your e-mail address provided, and you can then access the booking through the e-mail link provided.

Yes. Unused Tickets can be refunded or exchanged for another ticket on the prevailing fare and ticketing rules. Please check with local Oman Air offices.

- [What happens if my paper ticket is lost?](#)

Please contact local Oman Air Office and report the incident. Subject to certain conditions and fulfillment of legal requirements we may be able issue another ticket/refund the unused value of the ticket.

E-Ticketing

- [What is an Electronic ticket?](#)

Electronic Ticket is an innovative way of using technology for issuing air tickets electronically. This eliminates traditional paper tickets and creates an electronically held record (ticket) of the transaction. This electronic image of the ticket is stored in the Oman Air reservation system and can be accessed through reservation system for travel, change in booking, refund, exchange etc. An E-Ticket is more secured, convenient and we guarantee you will never lose it.

- [How does an E-ticketing works?](#)

All the routes of Oman Air network are E-Ticketing enabled.

On purchase, the system will generate your booking with ticket information. This will, provide you the key information about your reservation and flights. You will need to print the same and produce it along with valid photo identification in order to enter the airport and for check-in.

Also, an email will be sent to the passengers email address which can also be printed and used to enter the airport and for check-in.

Go directly to the check-in counter. Your boarding pass will be issued against this itinerary receipt and the valid identification

- [Why should I buy an e-ticket? What are the benefits?](#)

e-Ticket is a convenient, fast and safe option to the regular physical paper ticket. It's fast: you no longer have to collect the ticket from our office or rush to the travel agent to meet ticketing deadline. Now no more worries about losing or having the ticket stolen. Even if you don't carry your booking reference or E-ticket details, we will be able search our database and retrieve your ticket.

In case you need to modify your travel plan, call our reservation offices, we can retrieve your bookings as well as E-ticket and modify as you need.

- [If I don't receive a paper ticket, how can I know that the booking is made and correct?](#)

Although you do not receive a conventional paper ticket, you will receive an itinerary/receipt confirming your booking from our office. This itinerary/receipt will contain your E-ticket number.

If you provide us your e-mail address we can send across an email which can be printed and used as a receipt. You can also search your booking in this web booking and print the flight details for your record.

- [Are Electronic tickets available to all destinations?](#)

Currently e-tickets are available for all Oman Air flights.

- [How do I pay for E-tickets?](#)

Payment for E-tickets can be made either by cash, credit card, and purchase orders or otherwise as you were making payment for your paper tickets from Oman Air. There is no change in mode of payment for E-ticket compared to paper tickets.

- [Can I request an Electronic ticket if I am checking-in baggage?](#)

Yes, you can request for your Electronic tickets regardless if you have baggage to check-in or not.

- [Can I make an Electronic ticket for an infant?](#)

Yes. Oman Air E-tickets can be issued for infants as well.

- [Can I make change or refund my E-ticket that I have not used?](#)

If you wish to change an E-ticket for flight date / sector / class etc., or get a refund, we can do so and take the amount to issue a new paper/e-ticket provided fare basis permits. Refund

against e-tickets will only be processed against the itinerary receipt and valid photo identification and the amount due after deducting the applicable charges will be credited back on the same way the original payment was made.

- [How can I collect my E-tickets?](#)

There is no need to collect E-tickets. Issue of an E-ticket means creation of a record of e-ticket in our database which can be retrieved with appropriate access any time anywhere.

On a successful purchase of E-ticket the system will generate a record of booking and Electronic Ticket. This reference is your confirmation of travel. You will also receive an email with the status of your booking if you have provided us your email address.

You can print the booking reference or print the email. Then all you have to do is walk in to the airport and check-in with valid photo identification and printed itinerary receipt. Your boarding pass will be issued against the itinerary receipt.

- [Do I need any identification to enter the airport or for check-in?](#)

To enter the airport and for check-in, you must present the itinerary receipt along with valid photo identification, viz:

- Official Government issued photo identification
 - Driving license
 - Passport (for international passengers)
 - Photo credit card
 - Resident Card

- [Are there any changes in check-in process or boarding for an E-ticket?](#)

No. There are no changes in check-in process or boarding for an E-ticket.

- [What documentation can I use for my expense reports with E-ticket?](#)

In the case of expense account reporting, you can use your boarding card stub, which was issued at check-in and/or the Oman Air issued Electronic ticket itinerary/receipt.

- [Can I lose an e-ticket?](#)

No. We guarantee you will not lose an E-ticket.

Modifications
