Inflight Dining

[Home](#) > [Printer-friendly PDF](#) > [Inflight Dining](#)

All of our Economy customers receive a warm, traditional welcome, with hot and cold towels offered prior to the start of your inflight dining experience.

Our delicious and varied menus include international and Arabic dishes, are created using only the highest quality seasonal ingredients and are designed to complement the destinations to which we fly.

To accompany your inflight dining experience, we offer a range of complimentary hot and cold drinks, including freshly brewed tea and coffee.
