As recognition of the service standards of Oman Air, what more is to be said than that it has received countless commendations from various independent sources? It is a great honor to receive such approvals; nonetheless, we remain committed towards excellence in providing service that goes beyond your expectations.

Oman Air successfully completes the International Air Transport Association's Operational Safety Audits. Oman Air attributes the successful completion of the audit to its conforming with the standards and regulations set by IATA. This places Oman Air amongst companies that comply with internationally recognised safety standards, thus minimizing audits for the airline and increasing opportunities for more code share agreements.

Oman Air wins the Oman Excellence award for tourism. Oman Air was awarded the Oman award for Excellence, as the tourism promoter for 2001. The award is instituted by OCIPED in recognition of accomplishments of individuals and organizations that contribute to the Omani economy.

Oman Air Ground Operations Department was awarded the AHS 1000 excellence certificate from IATA for compliance with the quality and control standards as per IATA specification No. 804.

The catering business unit of the Oman Aviation Services at Muscat International Airport was awarded the prestigious ISO 9001 2000 accreditation by the auditors, KPMG. This award has been the result of teamwork and the development of a culture towards improving customer services and maintaining the highest standards of catering to the clients of Oman Air and the Oman Aviation Services.

Oman Air recently received JAR 145 Certification in recognition of excellence in maintenance.

British Airways honors Ground Handling Department of Oman Aviation Services for their excellence in services provided to British Airways customers at Muscat International Airport.

Emirates Airlines honors Oman Aviation Cargo department for achieving a large percentage of sales during year 2003 - 2004.
