colleagues with our mobile services. Log-on and check emails, message your friends, surf the web and update your social media with Oman Air's WY-Fi services.

Our flexible pricing allows you to choose the level of connectivity that suits your needs, whenever you are on-board our Airbus A330 and Boeing 787 connected flights. Log on today from as little as \$10.

To make in-flight calls from your mobile phone, international roaming charges will apply and these will vary according to your mobile service provider and your individual service package. For specific pricing details, please contact your provider before flying.

Don't miss out and stay connected on your next Oman Air flight!
