**A**dventure Zone is a unique family entertainment venue for children and adults. It is a 650 square metre comprehensive indoor play area catering for family style activities where children, teens and adults can interact together in a safe environment. Housed within this air-conditioned facility are three categories of exciting drop slides, multiple sections of modular play equipment, a game zone and themed birthday party rooms.

The highlights are the Drop Slides designed and custom fabricated by Taylor Made Play equipment, UK. The slides comply with all UK safety regulations and offer a very high level of enjoyment for children as well as adults.

The Rainbow Slides are attractive for toddlers and small children, the Double Drop Slide is for brave children and younger teens and the Demon Drop slide is a 6.5 meter vertical drop which is challenging for all ages.

Other facilities include a multi-use reception, retail and snack counter and Toddler Zone.
