Date: 29 Apr 2012

Oman Air, the national carrier of the Sultanate of Oman, will be showcasing its award-winning products and services when it returns to Arabian Travel Market at the Dubai International Convention and Exhibition Centre in Dubai this week.

From 30th April to 3rd May, senior Oman Air staff will be welcoming guests to the Oman Air stand which will feature Oman Air's luxurious Business Class seat - recently named "Best Business Class Seat in the World" at the World Airline Awards.

Wayne Pearce, Oman Air's Chief Executive Officer, says:

"In the year in which Oman has been named 'Arab Tourism Capital 2012', we are delighted to be part of this year's leading industry event, which attracts attention from all over the globe.

"ATM is the ideal opportunity to meet both current and new commercial partners, tell delegates and the travel trade about Oman Air's outstanding products and services and, in partnership with the Oman Ministry of Tourism, promote the Sultanate of Oman as the ideal destination for visitors from around the world. We welcome the opportunity to once again be part of this key event in the travel industry calendar."

Over recent months, Oman Air has continued the successful growth of its fleet and network of destinations, the introduction of outstanding comfort, space and luxury both in the air and on the ground, and increases in passenger numbers and load factors. Passenger feedback has been overwhelmingly positive and the airline has attracted acclaim in the form of more than 20 awards.

Wayne Pearce continues:

"Arabian Travel Market offers us an excellent opportunity to display both Oman Air's unbeatable quality of products and services, and its value. We look forward to giving a warm welcome to all visitors to our stand."
