Zurich

Switzerland is famous for its dramatic snow-capped Alps, fairytale castles, shimmering lakes – it is easy to see why it has been one of the World's top tourist destinations for over 2 centuries.

Oman Air flies to Zürich which is the intellectual and artist centre with incredible architecture, galleries and museums and more than 1,000 fountains!

Avail Switzerland's famed transport system, which runs like Swiss clockwork, to visit famous towns such as Lucerne, Lugano & Montreux. Enjoy the snow of its famous mountain resorts of St Moritz, Verbier and Zermatt and take the historical mountain railways to the top of Switzerland and savor the breathtaking views from the Jungfraujoch or Mount Pilatus.
