Dammam

Dammam is the largest city in the Eastern Province and third largest in Saudi Arabia after Riyadh and Jeddah. The city is considered to be one of the most ancient inhabited in the world. Tourists can enjoy its beautiful beaches, green parks, traditional markets, and excellent fishing spots.

Location

The city is located in Saudi Arabia's Eastern Province, close to the coast. It is served by the King Fahd International Airport (KFIA), the largest airport in the world in terms of land area.

Climate

Dammam has a hot desert climate. The summer season lasts from May to September with an average daily high temperature of 40°C. The cold season lasts from November to February with an average daily high temperature of 25°C.
