Riyadh

Riyadh is the capital city of the Kingdom of Saudi Arabia with a population of more than 6.5 million. The city has many places to discover and visit, boasting an alluring combination of modern infrastructure and cultural treasures. Visitors can take in the various natural and cultural sites, engage in adventure experiences and sports, or simply enjoy the cities convenient amenities. Accommodation is also plentiful, ranging from hotels to furnished apartments.

Location

Riyadh lies in the center of Arab Peninsula. It is bordered by the Eastern region from the east, by the Makkah region and a part of al-Madinah al-Munawarh region from the west, by Eastern and al-Qassim regions from the north and by Najran and Aseer regions from the south.

Climate

Riyadh is a desert climate with hot days and cooler nights. During the year, the temperature typically ranges between 8°C to 43°C and is rarely less than 3°C or more than 45°C. Summer lasts from May to September, while winter lasts from November to February.
