Khasab Hotel Packages

Oman Air Holidays offers great value ready-made holiday packages. Khasab is a must-see destination when in Oman with its beautiful landscape, fjords and dolphins. Combine an Oman Air flight with a stay at one of Musandam's fine hotels in Khasab. For Dibba and Zighy Bay there is no direct road from Khasab but it is possible to drive via Ras Al Khaimah - or otherwise the best access is through Dubai or by driving up the coast from Muscat (approx 450 kms).

At certain times of the year we offer special Fly/Cruise packages to Khasab - fly in one direction and return on the world's fastest ferry service!
