Salalah Lounge

The Oman Air Al Khareef Lounge opened its doors at Salalah Airport on November of 2016. It is open to our guests travelling in Business Class, and for those holding Gold and Silver Sindbad cards.

The lounge offers an oasis of calm, serenity and exceptional comfort, ensuring a relaxing start to your journey that reflects the outstanding hospitality you will enjoy aboard our aircraft.

FACILITIES

Our Business Center is fully stocked with telefax, scanners, and printers, along with iMac desktop stations. The non-smoking lounge features flight information display screens, and you can choose from an array of local and international newspapers and magazines available through digital e-media and prints. When you need to refresh feel free to use the lavatories with disabled access and private showers, as well as the provided toiletries and amenity kits on hand or stop in for a self-service shoe shine. If you are traveling with children, we have Family and Children Areas where they will be met by a selection of toys and a movie viewing zone for their entertainment, we also host Baby-Changing and Nursing Facilities to accommodate your needs.

SERVICES

On entry, you'll be provided with complimentary Wi-Fi access, as you hand in your baggage for safekeeping in your Luggage and Coat Room. The lounge has numerous charging stations available

for your phone, tablet, or any of your electronic devices. If you happen to forget your charger or its accessories, no worries as adapters and chargers are available to borrow at the reception. Our Salalah Al Khareef lounge boasts all-day dining refreshments, where you can set down for a hot and cold buffet service that includes a bread and dessert selection, as well as an assortment of healthy fresh juices or carbonated beverages
