Oman Air, the national carrier of Oman, has some great offers starting this summer for those travelling from Salalah to Dubai. Under the new offer, customers travelling to Dubai from Salalah will have more flights to choose from and prices offering a free stopover in Muscat.

“This will allow our valued customers to have meetings in Muscat or visit families and friends and continue on the same day or on the following day to Dubai, at competitively priced fares” said Maitha Al Mahrouqi, Country Manager, Oman.

“We have been providing infrequent flights from Salalah to Dubai so far, and we have listened to local residents who asked if we could not offer daily flights and more frequency allowing stopovers in Muscat, which is their preference” Al Mahrouqi added.

Under the new offer that starts at the end of March, return fares start from RO 106 from Salalah and Dhs 1265 from Dubai including the taxes.

Maitha concluded:

“We encourage our customers to book their tickets either through our website, www.omanair.com, Sales offices, or via local travel agents. Customers also have the option to book and pay through our 24x7 Contact Center by telephoning 24531111.
