Oman Air Ramadan Offers

Date: 15 April 2019

The National Carrier announces special Ramadan promotion with fare starting from Omani Riyal 83 in Economy class and Omani Riyals 238 on Business class.

Oman Air, the national carrier of the Sultanate of Oman, is delighted to announce the special Ramadan promotion for its valued guests. With fares starting as low as OMR 83 and OMR 238 on Economy and Business class respectively, the offer provides guest with an opportunity to explore the airline award winning products during the month of Ramadhan. The special fare offer is valid on return tickets and will be open for booking from April 15th till 30th April with travel validity from 6th to 28th May.

The fare is available for guests travelling in economy as well as business class on selected routes, namely Abu Dhabi, Dubai, Doha, Kuwait, Bahrain, Riyadh, Dammam, Cairo, Amman, Zanzibar, Dar Es Salam, Nairobi, Bangkok, Jakarta, Kuala Lumpur, Guangzhou, Manchester, Munich, Milan, Zurich, Casablanca, Istanbul, Islamabad and Lahore.

Jamal Al Azki, Regional Vice President - Oman, Oman Air, said:

“Oman Air is very happy to announce the special Ramadan promotion for its valued guests as a gesture of goodwill for their loyalty and patronage extended to us. For further information on this special promotion including how to book flights please visit www.omanair.com or the local Oman Air Sales Office or travel agent (terms & conditions apply). To avail the promotional fare, the journey will have to commence and terminate from either Muscat or Salalah. We are continuing with our

trajectory of rapid growth and expansion plans that began in 2018, having already announced two new routes for 2019, namely Athens and Alexandria.”

Oman Air has diligently kept to its course with the network and fleet expansion taking the country to every nook and corner of the globe. As part of its expansion plans, the airline has recently announced new codeshare agreements as well as introduced its revamped mobile application for iOS and Android smartphones, which provides passengers with inclusive trip management capabilities.
