## Oman Air Appoints Egypt GSA

Date: 10 Feb 2009

Oman Air has appointed Red Sea Aviation as its General Sales Agent for Cairo. With Oman Air's daily direct flights to Cairo, there has been a marked increase in the number of passengers travelling to Cairo from Oman.

Commenting on the appointment of Red Sea Aviation as the carrier's GSA for Cairo, Abdulrazaq Bin Juma Alraisi, Senior Manager Sales, Oman Air said that Cairo is an important station for us as there are many Egyptians resident in Oman who patronize Oman Air. Many Omani students attend universities in Cairo and we provide the link to their homeland. Egypt also attracts a lot of tourist visitors from Oman, as it one of the oldest civilizations of the world and offers an enigmatic peek into its rich history with pyramids forming the major attraction."

Alraisi added "Red Sea Aviation is a tour operator and Travel Agency established in 1993. Their long-standing reputation combined with their sterling performance in tourism and travel business will not only allow us to sell airline seats but also to package attractive holiday offerings."

Nader Ayad, Chairman of Red Sea Aviation said "Being appointed as the GSA of Oman Air is certainly a great honour for my company. Red Sea Aviation enjoys the patronage of many reputed clients both in the corporate world as well as frequently flying individuals in Egypt. Our extensive network of branch offices in cities such as Cairo, Maadi and Alexandria with representative offices in Aswan, Luxor, Sharm Al Sheikh and Hurghada we can spread the wings of Oman Air to a large client base."
