

## **Important Update:** Pre-arrival medical examination requirement for Philippine nationals traveling to Oman

**Dear Valued Trade Partners,**

Effective **1 March 2026**, a pre-arrival medical examination will be mandatory for Philippine nationals traveling to the Sultanate of Oman.

The medical examination must include **HIV (Human Immunodeficiency Virus)** testing, and a valid certificate with a QR code issued by an accredited clinic or medical center must be presented prior to departure.

Please inform all guests holding confirmed bookings that:

- The requirement applies to all Philippine nationals traveling to Oman, regardless of their country of departure
- This includes Philippine nationals residing in GCC countries
- The requirement applies to adults only; children are exempt

We kindly request your assistance in communicating this update to all guests in advance to help ensure a smooth travel experience.

Thank you for your continued support and partnership.
